- Navigation
- Communicating with adults with aphasia
- Mental health
- Supporting stroke survivors and caregivers

Who Should Attend?

Health Care Providers working with stroke survivors and caregivers across the continuum of care (i.e. primary care, acute, rehabilitation and community) in Kingston, Frontenac and Lennox & Addington Counties.

You Will:

Network and learn about community agencies, programs, and services that provide support to stroke survivors and their families through rapid podium presentations and exhibitor booths.

Visit the Exhibitor Booths for a Chance to Win a Door Prize!

"If I keep going like this (i.e., caring for my wife) someone will have to look after me."

*"If she had more help early on, it might have made a difference."
- Caregiver*

"I didn't know who was reviewing my case or how to navigate the system."

*"You need to know who to call... where to go to get information."
- Stroke Survivor*
