Bring your loonies/toonies, smiles and good spirits! Let's raise some much needed funds for the KGH Neurosurgery Department. These amazing people literally saved my life in 2015 when I had a stroke. I can never repay them, but I intend to try! I appreciate everyone's involvement and wish to extend a personal thank you to each and every one of you. I'll steal Kyla's saying from the Annual NeuroRun: 'Stronger Together' – YES WE ARE!

The Annual NeuroRun is approaching it's 4<sup>th</sup> year. It is always the first Sunday of May, held near the entrance to the Norman Rogers Airport in Kingston. (May 3<sup>rd</sup>/20 this Spring.) Kyla Tozer hosts and has had tremendous success in the first 3 years of the event. Please mark your calendars and join us for a 2km, 5km, 10km or 21km walk/jog/run. I'd love to see all of you there!
